Expert Consultants in Facilities Management Recruitment

www.supreme-recruitment.com

Welcome to Supreme Recruitment

Established in 1998, Supreme Recruitment started recruitment services mainly in the industrial sector. Over two decades later, we now operate in various sectors Nationwide, providing temporary and permanent labour for many companies both local to the Midlands and up and down the country.

Supreme Recruitment is built upon Honesty, Integrity and Trust, with our expert consultants giving maximum effort and attention to all clients and candidates they work with.

Alternative Services from Supreme Recruitment

Since establishment over two decades ago in a one desk office supplying temporary workers to industrial clients, Supreme Recruitment now offer a much wider service.

Despite being based in Birmingham, this is not the only area we cover; we supply companies both locally and all over the UK, and now also operate in various areas as well as Facilities Management. These include:
